

Parking Garage Mayhem

RULES: IDPA Rules

COURSE DESIGNER: Jesse Smith

START POSITION:

Start between the van and the open drivers door, with hands on the bottom of the open window frame of the door.

SCENARIO:

After the zombie appocalypse started, you pulled into a parking garage for safety, only to be trapped by a gang of former anti-gun delusionalists who are now arming themselves with every gun they can get their hands on. Don't let them have yours.

PROCEDURE:

At the start signal, engage T1-T2 through the door window, then move to P2. From P2 engage T3-T7 using cover and slicing the pie. Move to P3 and engage T8-T9 slicing the pie from cover.
