

# Upside Down World

**RULES:** IDPA Rules

**COURSE DESIGNER:** JesseSmith

**START POSITION:**

Start in the bed of the pickup, lying on your back with your firearm pointed at the ground in front of T2, and loaded with a max of 6 rounds in the gun. Extra magazines can have 6 rounds max in the magazine.

**SCENARIO:**

**SCORING:** Limited

**ROUND COUNT:** 13

**TARGETS:** 09

**DISTANCE:**

**SCORED HITS:**

**PENALTIES:**

**CONCEALMENT:** No

**PROCEDURE:**

At the start signal, while lying on your back, engage T1-T3 with two rounds each (Vickers Count, no extra shots). Then roll over on your stomach perform a reload. Then staying prone, engage PP1, followed by T4, then S1-S4, performing reloads when needed. (extra shots may be taken on targets after you roll over, but not on the first three targets)

**NOTES:** Before getting in the truck, load your firearm and give it to the RO who will place it in your hands after you're on you back. When you finish shooting, allow the RO to take your firearm before you get out of the truck. DO NOT BREAK THE 180°
